

One is all you need.

Do you have other retirement accounts (401(k), 457(b)¹, 403(b), IRA, etc.) with a previous employer or elsewhere? Having multiple accounts can make it challenging to manage your retirement savings. Combining these accounts into one account, such as your qualified plan with John Hancock, can help simplify your retirement savings efforts.

Benefits of having one account:²

- *Ability to view all account activity in one place*
- *Receive only one statement*
- *Easier to manage and diversify your assets*
- *Still enjoy the same tax deferral benefits.*

We make consolidating accounts easy!³

Our team of specialists is here to help you get your retirement assets moved into your qualified plan with John Hancock.
