

What do you love?

Overview:

In this activity you will draw a heart and fill it up with people, places, foods, animals, or other things that you love!

1. Make a list of all the things you love
2. Choose 5 or more things that you would like to include inside your heart drawing
3. Draw a heart as big or as little as you'd like, making sure it's big enough to fill all the things you're including from your list
4. Draw or write the names of your loved things inside your heart!
